## HAMIS FOR OPTHODOX LITURGES THE OPTHODOX LITURGES

## AS MANY AS HAVE BEEN BAPTIZED

John Warren is the director of the choir at the Orthodox mission Church of the Annunciation in Santa Maria, California, and the present director of the Southern California Pan-Orthodox Choir. During the past seventeen years he has devoted much of his time to the setting and arranging of Orthodox hymns and chants in the English language.

The present harmonization of As Many as Have Been Baptized is based on a Byzantine Chant melody transcribed into Western notation by John Sakellarides. Dynamics and tempo marking have been added by the composer of the harmonization.
