—Духовный стих

A saint named Seraphim
In forest far away
For all mankind did pray,
for all mankind did pray.

And ev'ry beast and bird
Would come to him each day
He fed them and he prayed,
he fed them and he prayed.

When death was close at hand,
The Lord said, "Come away,
In Heaven you shall pray,
in Heaven you shall pray,"

And now the faithful come,
They bring their troubles to his grave,
Still asking him to pray,
still asking him to pray.
